WOW 48 Hour Guarantee

The WOW 48 Hour Guarantee is a money back guarantee offered by WOW Auction and backed by the consignor. As such, this guarantee covers only the functionality of the items and does not cover size, condition, color, or any other aspect of the item whatsoever. The guarantee period begins at the time of pick-up and lasts 48 hours, however it will not extend beyond 3:00pm of the fourth business day following the auction close. The winning bidder should notify our office immediately upon discovery of the problem and must return the item to our warehouse (in the same condition it was in when picked up) by the fourth business day following the close of the auction. In the event the item is not timely returned, the guarantee is null and void.
